

SOIL SAMPLING

Paddock Information Sheet

PLEASE PRINT

Name: Date:

Paddock Name/No:

It is important that this sheet is completed as completely and legibly as possible to provide the basis for the best possible interpretation of the results and to optimise the resultant prescription.

Depth to which soil has been sampled
Previous Soil Audit reference number
Average rainfall
Irrigation & if yes, type (flood, spray, trickle)

Soil Characteristics

Soil type
Area sampled(ha)
Depth to hardpan (if evident)(mm)
Soil aeration &/or Soil Structure
Soil moisture content

Crop Details

Intended crop/pasture
 Desired yield goal(t/ha,DSE)
Previous crop/pasture
 Previous crop yield(t/ha,DSE)
 Residue remaining(t/ha,DSE)
Current crop being grown
Dominant or problem weeds
Evident soil diseases

Fertiliser History

Calcitic Lime year applied: @(t/ha)
Dolomite year applied: @(t/ha)
Gypsum year applied: @(t/ha)
Phosphate Rock year applied: @(kg/ha)
